FOUR RIVERS NUCLEAR PARTNERSHIP, LLC

REQUEST FOR INFORMATION

The Four Rivers Nuclear Partnership (FRNP), in support of the Department of Energy Portsmouth/Paducah Project Office (PPPO), is seeking information on potential subcontractor interest in providing design, engineering, fabrication, and construction services for a Pre-Engineered Metal Building (PEMB) to the Paducah Gaseous Diffusion Plant (PGDP).

THIS IS A REQUEST FOR INFORMATION (RFI) ONLY. This RFI is issued solely for information and planning purposes – it does not constitute a Request for Proposal (RFP) or a promise to issue an RFP in the future. This request for information does not commit Four Rivers Nuclear Partnership, LLC (FRNP) to contract for supply or service whatsoever. Further, FRNP is not at this time seeking proposals and will not accept unsolicited proposals. Those wishing to respond are advised that FRNP will not pay for information or administrative costs incurred in response to this RFI; costs associated with responding to this RFI will be solely at the interested party's expense. Not responding to this RFI does not preclude participation in future RFPs, if any are issued. If a solicitation is released, it will be sent to the qualifying Vendor(s).

1. Description of Anticipated Subcontract

- Design and engineering of a PEMB of the width, eave height, and roof pitch indicated in the attached drawings and specifications.
- Fabrication of design of the above PEMB structures and delivery to the contractor's site at Paducah Ky.
- Assembly and construction of above PEMB structures at the contractor's site at Paducah Ky.

2. Requested Information

- Statement of interest in scope or portion of scope e.g. design, fabrication, and/or construction/assembly
- Listed of recommend teaming partners or associated contractors for design, fabrication, and construction/assembly if only bidding on a portion of the work
- Interested parties and subcontractors are requested to respond to this RFI with a Capability Statement including experience in PEMB design, experience with fabrication and construction of PEMB buildings of similar size and type, and/or experience on government sites e.g. DOE, DOD, etc.
- A brief description of the company's capabilities for completing the proposed type of work included in this RFI
- A brief description of the Quality Assurance program the company has established
- Estimated duration of design, fabrication, and construction or assembly of structure reflecting market impacts
- Responses are due no later than **1:00pm CT, 12/1/2025**. Responses shall be submitted via e-mail only to Amanda.Hatton@pad.pppo.gov. Proprietary information, if any, should be minimized and MUST BE CLEARLY MARKED.

3. Responses

- Responses should include the Company name, address, CAGE Number, small business size status, point of contact, point of contact email address and the point of contact phone number.

4. **Discussions**
   - FRNP representatives may or may not choose to discuss the RFI with interested parties. Such discussions would only be intended to get further clarification of potential capability to meet the requirements.
5. **Questions**
   - Questions regarding this announcement shall be submitted by e-mail to FRNP Procurement department Amanda.Hatton@pad.pppo.gov. Verbal questions will NOT be accepted.
6. **Summary**
   - THIS IS A REQUEST FOR INFORMATION (RFI) ONLY. The information provided in the RFI is subject to change and is not binding on FRNP or the Government.
